CAPE TOWN · NEW ORLEANS

Two cities. One *rhythm.*

The Hyde is Cape Town's ultimate stay — an independently owned, boutique all-suite hotel in the heart of Sea Point, where spacious suites, a rooftop pool deck and panoramic mountain views meet genuinely personal service. This September, that same soulful hospitality travels to New Orleans, a city with its own second-line parades and brass bands, as Cape Town's culture takes the stage at the Tourism Investment Forum Africa.

WHY THE HYDE

The Ultimate Stay

- Boutique all-suite hotel in Sea Point — full kitchens, not just rooms
- Rooftop deck views of Table Mountain, Signal Hill & Lion's Head
- Steps from the promenade; minutes from the V&A Waterfront
- Kfm Best of the Cape 2026 — Best Hotel finalist

EVERY APRIL

Cape Town International Jazz Festival

Known across the continent as "Africa's Grandest Gathering," two nights of jazz draw performers from every corner of the world.

The same horns that fill New Orleans' French Quarter every night of the year.

2 JANUARY

Cape Town Minstrel Carnival

Tweede Nuwe Jaar fills the streets with the Kaapse Klopse — troupes in bright silks, banjos and brass, in a tradition over a century old.

New Orleans' second-line parades march to the very same beat.
